Nassau

BAHAMAS

Travel should take you places®

*Travel is more than just A to B.
Travel should warm your soul.*

The British Colonial Hilton Nassau rests on the historic site of Fort Nassau, built in 1695 to protect the harbour from invading pirates. Situated on downtown Nassau's only private beach – a 300-foot stretch of pure-white sand – this 288-room luxury hotel features exquisite British Colonial-style décor throughout.

Soaking up the warm Bahamian sun and enjoying the crystalline waters teeming with colourful tropical fish are favourite guest pastimes, but there's plenty more to do. In addition to our relaxing gardens, the British Colonial Hilton Nassau boasts a remarkable location. Within walking distance, you'll find duty-free shopping, the famous Straw Market, museums, galleries and historical sites. Also nearby are scuba diving, boat tours, golf, casinos and many of the city's major banks and law firms, with the international airport just 25 minutes away.

Travel should take you places. The British Colonial Hilton Nassau is one of those places...an unforgettable relaxing retreat in one of the Caribbean's most exciting cities.

*Travel is more than just A to B.
Travel should refresh your spirit.*
